Cornerstone Membership Process

1. Membership Class—*Elders and those interested in finding out more about membership.* These are offered semi-annually or as the need arises.
2. Membership Application—*Individuals interested in membership.* The individual fills out application and returns it to the elders.
3. Membership Interview—*Elders and applicants.* This interview is for the elders to personally get to know the applicants, verify baptism and testimony, as well as discuss what it means to be a member of the Church universal and Cornerstone, specifically.
4. Baptism & Testimony—if necessary
5. Announcement of Membership Application & Testimony—*Elders, applicants, congregation.* The elders announce the application for membership and the applicant shares their testimony with the church. The church is encouraged to get to know the applicant over the next month(s).
6. Membership Vote—*Congregation.* This vote is to admit the applicant into fellowship. This vote marks two things: one, that the current members, on what information they have, accept the elders' recommendation for membership; and, secondly, that the current members, on what information they have, accept the applicant into fellowship.
