Note: The responsible Home Fellowship Group (HFG) is to clean during the week for which they are signed up.

Example: The Pritchard's were signed up to clean the week of June 1st. They need to have the church cleaned during that week in preparation for the following Sunday (6/8).

*On Corporate Fellowship weeks, Trevin Riley will be the "point" person for cleaning the church.

*****If you notice we are running low on supplies while cleaning, please let Trevin know.*****
